

THE DAKOTA

SIOUX VALLEY | DAKOTA TIPI | CANUPAWAKPA | DAKOTA PLAINS | BIRDTAIL SIOUX

The Dakota were not a part of the Numbered Treaties; however, they secured alliances and arrangements with the Crown before 1871. Their traditional territory includes parts of modern-day Manitoba.

“For our people... we go by natural laws, the Creator’s laws. We have a right to be in our northern traditional territory, here in what is now Manitoba...”

–ELDER DORIS PRATT
